## POLICY

### POLICY STATEMENT

Picton Civil is committed to the protection of the environment.

As an organisation and as individuals, we must take all necessary measures to ensure the environment is not harmed by anything we do.

We will continually evaluate and implement compliance with relevant legislation and standards.

### AIMS AND OBJECTIVES

Picton Civil management is committed to:

- Maintaining a HSEQMS in accordance with ISO 14001:2015 standard
- Preventing spillage of stored chemicals
- Take significant environmental aspects and impacts into account throughout our operations
- Use energy and natural resources wisely and efficiently, eliminate and minimise waste, and re-use and recycle where practicable
- Increase the use of environmentally acceptable materials, equipment and technology in place of those which are considered harmful
- Site stewardship ensuring demobilised sites are left in an equivalent or better condition to when mobilised
- Promoting environmental awareness amongst employees and sub-contractors
- Continual Improvement of the environmental management system, and prevention of pollution
